01 Recent Experience

Customer Success, data, pricing, and operational leadership.

MAR 2025 — MAR 2026 MURCIA, SPAIN

Bodytone — Data Analyst & Head of Customer Success

POWER BI PYTHON ZENDESK GENAI LEADERSHIP

- Designed data architecture, Power BI dashboards, and business, retention, and service-quality KPIs.
- Automated processes with Python and generative AI, and built the end-to-end Zendesk support system connecting requests, tracking, outcomes, and analytics.
- Led projects, coordinated teams, and delivered the company's first internal applied-AI training program (Bodytone Academy).

MAR 2024 — MAR 2025 MURCIA, SPAIN

Professional Growth — Intensive Training

AI PYTHON DATA DEVELOPMENT

- Intensive, self-directed specialization in AI, data analysis, and applied development/programming — the technical foundation behind the systems later built at Bodytone.
- Combined with yoga and mindfulness training, the other pillar behind how I lead teams.

MAR 2021 — APR 2024 MURCIA (REMOTE) · GLOBAL PORTFOLIO

Minderest — Customer Success Specialist / E-Commerce Pricing Strategist

SAAS B2B PRICING BIG DATA RETENTION

- Managed and retained a global B2B SaaS portfolio, driving onboarding, adoption, retention, and value creation.
- Led pricing and positioning strategy through competitive intelligence and large-scale data analysis.
- Translated business goals into analytics configurations and coordinated rollouts with product, engineering, and operations.

JAN 2020 — FEB 2021 LISBON, PORTUGAL

Majorel · Google/YouTube — Content Analyst & Wellness Ambassador

QA DATA AUDITING WELLNESS GLOBAL OPS

- Ran data audits and quality controls in a high-volume global environment.
- Detected anomalies through pattern analysis and collaborated with engineering on automated review systems.
- Championed resilience, wellbeing, and team cohesion as Wellness Ambassador for Italy and Spain.
